Team Member Evaluation for Assignment # 2

Note: These reviews will be kept confidential. Only the instructor will see them.

Team Members

Your name and role(s):	Zhixin Huang	team member
Group member A's name and roles:	Jiangpei Chen	team leader
Group member B's name and roles:	Yimin Yao	team member
Group member C's name and roles:	Luowen Zhu	team member

Work Contributed

For each group member (including yourself):

1. List what each group member contributed to the assignment. Be specific.
2. Was each group member on time for meetings and promised deliverables?
3. How useful was the promised deliverable towards the progress of the assignment?
4. How much effort did you feel the group member put into the project, as a percentage? (100 - 0%)

Yourself:

1. Did two research questions, one theme, one scenario, and the storyboard for my scenario.
2. Yes.
3. Especially useful.
4. 100%

Group member A:

1. Did three research questions, one theme, one scenario, and the storyboard for his scenario, and planed the group meeting.
2. Yes.
3. Especially useful.
4. 100%

Group member B:

1. Did one theme, one scenario, and the storyboard for his scenario.
2. Yes.
3. Especially useful.
4. 100%

Group member C:

1. Did one theme, one scenario, and the storyboard for his scenario.
2. Yes.
3. Especially useful.
4. 100%
